RGP INSTRUCTIONS FOR NMRC JUL 2026 GRANT CALL

Submission

- Please ensure that your application is using **the latest templates available from RGP or NMRC Website**. Applicants are **required to prepare a single zipped attachment to be uploaded within the RGP application (under Proposal – File Upload Section)**. The zipped attachment should comprise the required documents listed in **Appendix I** for the respective grant programme. Please also refer to Appendix I for the file naming convention of the zipped attachment.

- Applications with hyperlinks in attachments (except for DOI links in the References section of the Research Proposal and Publication section of the CV) or with attachments that are not named in accordance with the file naming conventions specified in RGP will not be accepted.

- Please use Arial font size 10 for all text.

- Please note that applications are **subject to rejection upon submission** if:
  - Any of the required documents was not submitted (Please refer to Appendix I)
  - The Proposal document exceeds page limits
  - Missing or incomplete declarations (e.g., past funding received, concurrent grant applications)

Appendix I
