Frame It Right!

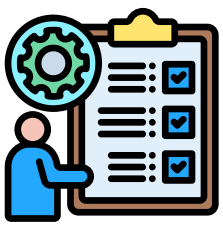

5 ESSENTIALS FOR AN IMPACTFUL PROPOSAL

Identify A Needs Statement#

Define the clinical or operational challenge to create a relevant and impactful solution.

Develop a Clear Implementation Plan

Establish milestones and workflows to ensure seamless project execution.

Define Measurable Outcomes

Clear, measurable benefits that showcase improved outcomes, greater efficiency, enhanced safety, and cost optimization within the organization.

Engage Stakeholders Early

Early alignment of clinical and operational stakeholders to drive cohesive planning and successful implementation.

Leverage the Commercial Industry

Collaborate with strategic industry and academic partners to enhance resources, accelerate project milestones, and achieve sustainable impact.
